

The HEREFORD SPOTLIGHT

MARCH 2021

Vol. 1 / No.1

Continuing *Progress...*

Welcome to The Hereford Spotlight!

On behalf of the Oklahoma Hereford Association (OHA), I would like to welcome you to the Hereford Spotlight Newsletter. This newsletter will serve as one of the communication lines of the OHA.

It has been determined that the annual directory has not met the needs of the membership. Therefore, a more frequent communication piece has been requested. The board has established a goal to develop a newsletter that will keep the membership informed of sales, activities, shows results and important information regarding the OHA, Oklahoma Hereford Women (OHW) and the Junior Hereford Association of Oklahoma (JHAO).

The Hereford Spotlight will be a quarterly newsletter that will be available through print, digitally and shared on our Facebook page and website. This year we plan on mailing the newsletters March 1, May 1, August 1 and October 1. Starting in 2022, the mailing dates will be the traditional quarter dates, January 1, March 1, August 1 and October 1.

Your board of directors are excited for the new marketing avenue. The newsletter will not only be available to our membership, but also surrounding states and commercial buyers.

In order to make this newsletter a success, the board encourages our membership to share, share, share! Share with your customers, peers and family about the new changes for OHA. If you would like to advertise, share information regarding your operation, and/or anything else under the sun, please feel free to contact me.

Sincerely yours,

Brooke Hinojosa-Sidwell

RETIRING *President...*

Dear Fellow Hereford Breeders,

As I reflect on 2020, I can safely say — Good Riddance. None of us could have predicted how wide-spread COVID-19 would impact us and many of the changes that have been implemented, may continue on for quite some time if not forever.

I however, am looking forward to 2021. I would like to introduce to you one bright spot on the horizon, the beginning of the Oklahoma Hereford Association (OHA) quarterly newsletter. The senior OHA board has been discussing a change to replace the current once a year membership directory with a quarterly newsletter. The goal and thought process was to allow our members to advertise their cattle or sales through a series of strategically timed newsletters and expand their exposure with a broader mailing list. By utilizing the AHA and their mailing list, we can send our publication to both purebred and commercial breeders that have purchased Hereford genetics.

These new changes have taken a little longer to implement than we had hoped. So, this first year we are planning on the four newsletters being mailed: March 1, May 1, August 1 and October 1. Starting in 2022, the mail out target dates will be January 1, March 1, August 1 and October 1.

If you missed out on this first issue, we would love for you to join us in upcoming ones. Brooke has been busy making calls and informing the members of the new changes. The deadline for the first issue made it impossible to reach out to everyone personally as we would have liked and if you haven't been contacted or are undecided in advertising, please remember, we need as many members as possible to advertise in order for this to be successful. Give Brooke a call, 405-714-5658 or send her an email at okherefordsecretary@gmail.com. She will be happy to 'Talk Herefords' with you.

It was my pleasure serving you this past year!

Max Stotz, 2020 President, Oklahoma Hereford Association

FROM THE *President...*

Proud to be a Hereford breeder from Oklahoma!

As the pandemic is laying claim to livestock events all over America, and with the cancelation of the National Western, Oklahoma stepped up and filled the void.

I personally want to thank our Governor, the honorable Kevin Stitt, along with the Mayor of Oklahoma City, David Holt, for being on board and backing the beginning of a new tradition!

Next, I want to acknowledge the best staff in American for pulling it off in a short time. The Oklahoma Youth Expo (OYE) staff is incredibly talented and opened the door and the eyes of the cattle business to the possibilities that Oklahoma holds for future national events. A cattle show ran by cattlemen – it just doesn't get much better!

9,627 entries from 44 states and Canada attended this inaugural event. 2,969 exhibitors had a 50 million dollar impact on Oklahoma City. We had 23 sales during the Cattlemen's Congress with more than 10 million dollars in cattle sold.

The Supreme Drive was an awesome display of America's great cattle industry as each breed paraded their best in front of a panel of judges. A pair of Herefords were the supreme bull and female. It was a great day for the Hereford breed!

The Oklahoma Hereford Association is moving forward with a quarterly newsletter to deliver ads and information to our breeders in a timelier fashion. We hope this fresh look will make it easier to exchange information in a printed format.

Until we meet again!

Richie Oakes, 2021 President, Oklahoma Hereford Association

MARBLE UP

We are a pasture-based program with a concentration on high production, marbling, calving ease Herefords. We have prolific Red pigmentation on our cows' eyes and they are Red to the ground. We have many generations behind these cows and the color now breeds through. Look through our Herd Bull lineup and you will find it is second to none on Balanced EPDs and Marbling.
