- BH RUGBY ET was the top selling bull in our 2023 Spring Bull Sale, selling to ST Genetics.
- Heavily pigmented & HOMOZYGOUS POLLED, Rugby is offers as unique of a package as you can find anywhere in the breed today. Of the 588 Genesis sons on record, Rugby is the LONE bull in the breed with his combination of YW & MARB with a minimum of 8 for Calving Ease.
- His donor dam was our pick in the 2018 Sandhill Farms Production Sale. She is the dam of SHF Deadbolt 001A D163 and has been an excellent producer for us.
- Rugby is a trait leader for multiple traits, including 12 traits ranking in the top 10% of the breed.
- Semen available through ST Genetics.

AHA FIELD REPRESENTATIVE

Cord Weinheimer, 830-456-3749

It is an absolute honor to be reporting back to you again and serving the membership as President of the Oklahoma Hereford Association. Hereford cattle have always been a passion of mine. The people that I and my family have engaged with over the years have become my closest friends. There are few constants in life, but friendships steadily outlast trends, fads and changing tides.

The Oklahoma Hereford Association is home to some of the most elite Hereford breeders and enthusiasts in the world. The undying passion our association members have for this breed and the beef industry is truly admirable. It is a privilege to be associated with each and every one of you.

There is simply not a better industry to be involved in! The breed association that we so fortunately call our own has provided a role model for success and perseverance. The leadership in Kansas City is second-to-none and the staff at the American Hereford Association goes above and beyond to enhance the Hereford breed and move it forward in a positive direction. The National and State Junior Associations are as strong and progressive as ever. The NJHA has grown tremendously over the years and now offers junior members opportunities that I never dreamed were feasible. Leadership and integrity are the staple of the programs the NJHA offers. The youth of our breed is without question the future of the beef cattle industry and I am grateful the Oklahoma Hereford Association has such an involved group of juniors coming up the ranks to continue the traditions.

We as agriculture professionals are being called into new roles as advocates for our industry to an increasingly critical public. As Hereford breeders, I am proud of the training we have provided our youth in learning tasks like responsibility, care for animals and education on our end product.

I sincerely enjoy the opportunity to serve the membership as the President of both the Oklahoma Hereford Association and the Oklahoma Hereford Women for the past several years—it has been an absolute pleasure. The key to a successful organization is the membership, and there is no question that the OHA is among the most elite in the nation.

Kind Regards,

Rindy Bacon
Oklahoma Hereford Association President

ABOUT OHA

The Oklahoma Hereford Association is the result of the merger of two long-standing breed associations, both started in 1952. OHA provides services for horned and polled Hereford breeders across the state of Oklahoma as well as members from adjoining states.

- Homozygous polled.
- First calves on the ground and they are good!
- Judge Jason Hoffman commented, "This bull is a unique individual with negative BW but still the phenotype to compete in the show ring."
- Javelin's dam was a show heifer for Halle that was Oklahoma State Fair Grand Champion Hereford in the Junior and Oen show and reserver division winner at OYE.
- The best part about Javelin's dam is that she has become a tremendous cow and one of the best at Littau Polled Herefords.
- Javelin's dam is a beautiful cow with a neat udder and is headed to the donor pen.
- Javelin's sire is the popular Markers Mark and Javelin may be the best son to date.

Fellow Hereford Breeders,

It is with great pleasure to report again this year on behalf of the Oklahoma Hereford Women! I have been involved with Hereford cattle all my life and have seen many changes along the way, but the last couple of years have been something I never dreamed of seeing.

Throughout the last couple years, I think a lot about what my grandparents would do, but I know what they would tell me to do and that is to stay true to my beliefs and work with people that know how to accomplish things and that would be the great ladies of the Oklahoma Hereford Association.

This year we have increased our scholarships, along with adding two more, the queen's scholarship and the very honorable Jane Durham scholarship. The OHW has continued to support the Junior Hereford Association of Oklahoma, a true passion of the OHW. We continue to grow in our membership. I am excited about our future and the areas we continue to work together in as one unit for the benefit of our young people. The OHW and the JHAO are involved in the Hereford breed and uphold the legacy created by the generations before us.

Thank You,

Rindy Bacon
Oklahoma Hereford Women President

OKLAHOMA HEREFORD ASSOCIATION

OKLAHOMA HEREFORD ROYALTY

*Oklahoma Hereford Royalty
pictured left to right:
Teagan Hames, Princess;
Jolee Prentice, Queen;
and Kendall Devine, Sweetheart*

HEREFORD QUEEN: *Jolee Prentice*

Jolee Prentice, 14, is the daughter of Robert and Tina Prentice. She started showing Hereford cattle in 2019 and instantly fell in love. She is currently serving as your 2023-2024 Oklahoma Hereford Queen. Her goals while serving are to inform the younger members, and to get everyone more involved! She looks forward to a great year ahead!

HEREFORD PRINCESS: *Teagan Hames*

Teagan Hames is the 13-year-old daughter of Scoots and Martha Hames and the granddaughter of Jeff and Ramona Parker. She is a 6th generation Hereford breeder for Parker Cattle & Land Co. and is the 2023-2024 Oklahoma Hereford Princess. She is an active 4-H member in Grady County and an FFA member at AmPo High School where she is on the Judging Team. She started showing Herefords at the age of 7 and is now enjoying breeding her own cattle. She has attended McPeak's Be a Champ Camp several years and has earned a show place in Showmanship each year. She also exhibits pigs, sheep and chickens. Teagan is active in her Youth Group at Crossroad to Life Baptist Church in Blanchard and works as a cashier/clerk for her Papa at JK Parker Auction Services. She maintains high grades in school and is continually implementing and modeling the technical and leadership skills learned through both Church and Livestock Showing.

HEREFORD SWEETHEART: *Kendall Devine*

Kendall Devine, 9, is the daughter of Joe and Terah Devine. She is serving as the Oklahoma Hereford Sweetheart and is loving every minute of it. She is an active 4th grader at AmPo Elementary and is in 4-H, church youth group and loves playing softball and reading. She was a Top 10 Showmanship winner at Hereford Junior Nationals in 2023. Her parents jokingly refer to her as the animal whisperer because she's never met an animal that didn't instantly take to her. It's no different with her Hereford cattle. She thinks they are the most lovable breed and she is looking forward to a fun year of representing the state and the breed.

Brandi Hansen

Hello,

My name is Elizabeth Crumm and I am proud to be serving as the 2023-2024 Junior Hereford Association of Oklahoma President. I am truly honored to be in this position to lead the juniors and show them the amazing opportunities the association offers. I am excited to work with the new board to bring fresh ideas to the association. I also want to be there for the juniors when they have questions and give them advice on leadership skills. I want to be able to give back to the Oklahoma Hereford Association since the association has shaped me into who I am today. If you have any questions or ideas for the Junior Hereford Association, feel free to call, text, or email me!

Sincerely,

Elizabeth Crumm, JHAO President

elizabethcrumm@icloud.com; 405-933-4445

PRESIDENT: *Elizabeth Crumm*

Elizabeth Crumm is the daughter of Tray and Nikki Crumm and the sister of Elijah Crumm. She lives in Chickasha, Oklahoma, where they own and operate Diamond E Hereford Cattle Co. She recently graduated from Redlands Community College with an Associate degree in Animal Science, and is now at Kansas State University pursuing a double major in Agricultural Communications and Animal Science. After completion, she plans on attending Oklahoma State University or Kansas State University to obtain a master's in Agricultural Communications. Elizabeth has served the past two years as the Oklahoma Hereford Queen, and the past year as the Oklahoma Junior Hereford Association Secretary. She has had the privilege to intern with the Diamond Hats, Cattlemen's Congress and with Taylor Fort covering the San Antonio Livestock Show, Legacy Livestock Imaging covering OYE, and the American Maine-Anjou Association. Outside of the show ring, Elizabeth has participated in Faces of Leadership and BOLD Conferences. Elizabeth looks forward to learning all she can and hopefully, one day working for a breed association or major livestock show.

JUNIOR HEREFORD ASSN OF OKLAHOMA

2023-2024 JUNIOR BOARD

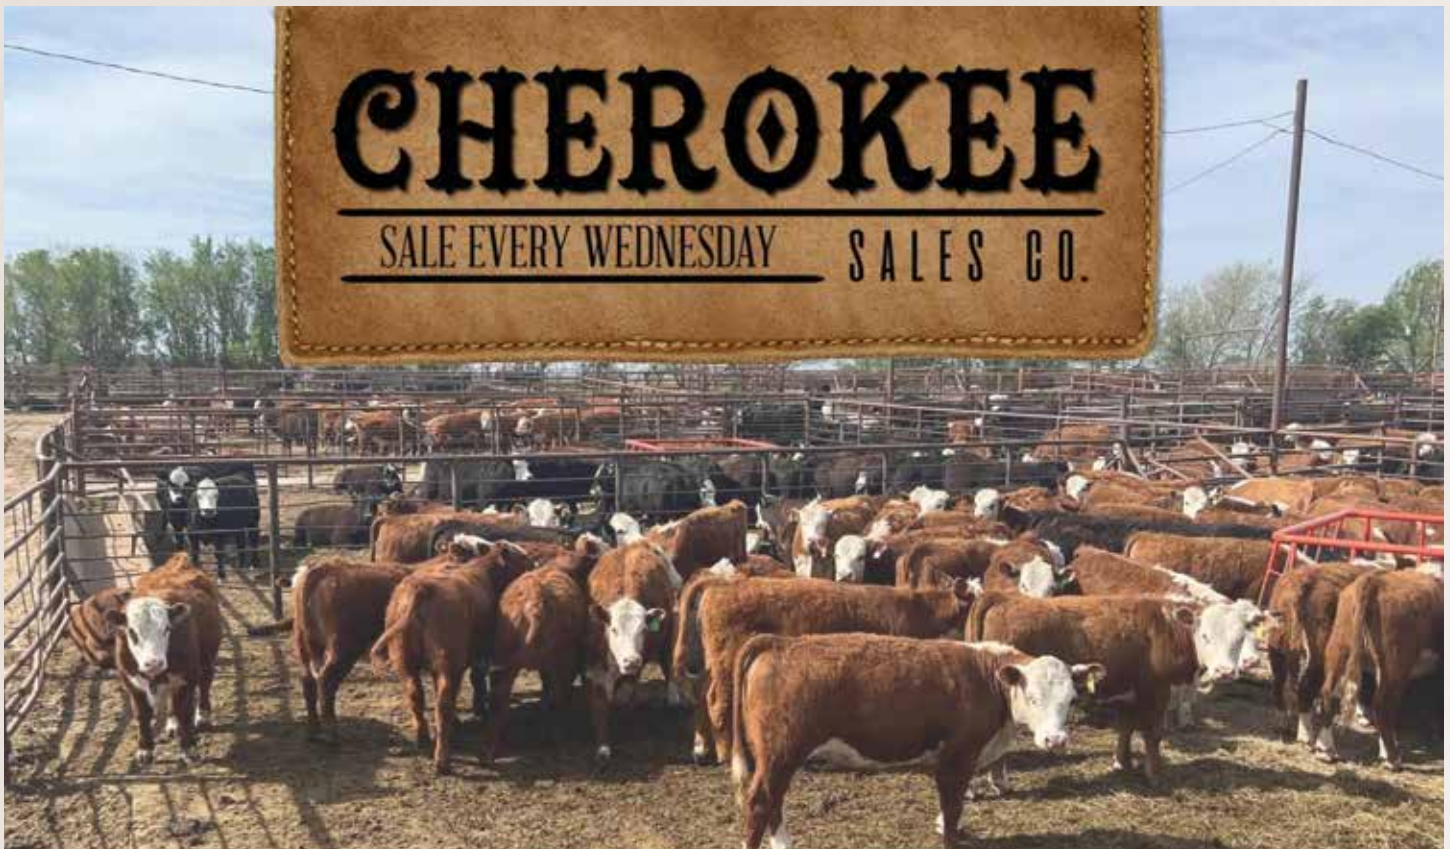

VICE PRESIDENT: *Kaylee Lunsford*

Kaylee Lunsford is a third-generation Hereford breeder and is grateful for all of the opportunities the NJHA has given her throughout her life. Kaylee is a student at Oklahoma State University pursuing a double major in Animal Science and International Agriculture Leadership. She would not be where she is today without her Hereford family and she looks forward to serving as the 2023-2024 Vice President where she wants to give back to the association that has given her so much!

TREASURER: *Addison Koontz*

Addison Koontz is the 17-year-old daughter of Nathan and Misti Koontz. She was the valedictorian of her High School graduating class of Thomas Fay Custer. Addison has been a lifelong member of the JHAO and the NJHA. She has shown cattle on all levels and traveled across the country to compete. Addison has been a part of the first place judging team at the JNHE in 2019, the fifth place fitting team at JNHE in 2014, and several marketing teams throughout the years. She is attending Clarendon College where she is a member of the livestock judging team. She then plans on finishing school at West Texas A&M University to complete a degree in Veterinary Science.

60902 HARMON RD, CHEROKEE, OK 73728

580-596-3361

JUNIOR HEREFORD ASSN OF OKLAHOMA

2023-2024 JUNIOR BOARD

REPORTER: *Taylor Marrs*

Taylor Marrs is from Tecumseh, Oklahoma, and a junior at Tecumseh High School. There he is a member of the wrestling team, the track and field team and the livestock judging team. He is a fourth generation Hereford breeder and has been showing Hereford cattle since he was 7-years-old. Taylor plans to attend Butler College, be a member of their livestock judging team and get his associate's degree in finance. He would then like to pursue a bachelor's in sales. Taylor eventually plans to obtain a master's degree in marketing. It's his dream to eventually be successful enough to come back to the cattle business and have his own Hereford cow-calf operation in Texas.

SECRETARY: *Kya Rhodes*

Kya Rhodes is a fourth generation Hereford Breeder—her family started as Tucker Cattle. Her grandfather was Paul Tucker and over the years they changed the name to Turkey Feather Ranch. She has grown up in the show barn and has been lucky enough to show at all of the majors, plus every Junior National since she was old enough to show. Most of her show string has been bred-and-owned heifers. Even her steers have been bred-and-owned. She works in the show barn full time and has graduated from Mid America VoTech with a certification degree in Vet Tech and a certification degree in Horse Management. Kya is also attending Murray State College to obtain her vet tech degree. She believes that our breed, especially in Oklahoma, strives to have a great junior organization to promote Hereford cattle.

JUNIOR HEREFORD ASSN OF OKLAHOMA

2023-2024 JUNIOR BOARD

NORTHEAST DIRECTOR: *Miranda Hansen*

Miranda Hansen, 13, is the daughter of Brandi Hansen and the late Chris Hansen. Miranda has been showing cattle since she was 8-years-old. She loves raising and showing Hereford cattle. Miranda is a seventh grader at Eufaula Middle School. She is on the Eufaula Livestock Show Team and Judging Team. She is also on the basketball team and in the National Honor Society.

NORTHWEST DIRECTOR: *Marlee Pecha*

Marlee Pecha is the daughter of Lenny and Kelly Pecha. Marlee has one brother, Joel. The Pecha family owns and operates E7 Ranch, which is located near Meno, Oklahoma. Marlee has been a JHAO member since 2015 and has served as the Hereford Sweetheart and NW Area Director. She has also represented Oklahoma at Junior Nationals in quiz bowl, individual sales, team sales and livestock judging. Marlee will be a junior at Timberlake High School, where she is currently serving as the Timberlake FFA President. She is also involved in Student Council and Yearbook.

SOUTHEAST DIRECTOR: *Jolee Prentice*

Jolee Prentice, 14, is the daughter of Robert and Tina Prentice. She started showing Hereford cattle in 2019 and instantly fell in love. She is currently serving as your 2023-2024 Oklahoma Hereford Queen. Her goals while serving are to inform the younger members, and to get everyone more involved! She looks forward to a great year ahead.

SOUTHWEST DIRECTOR: *Emma Lynn*

Emma Lynn, 16, is from Purcell, Oklahoma. She will be a Junior at Purcell High School. While in high school she has been an active member in her FFA chapter, student council, competitive cheer team, FCA and Spanish club. She has been showing Hereford cattle for six years!

DIRECTOR AT LARGE: *Hayes Devine*

Hayes Devine, 12, is the son of Joe and Terah Devine. He has been showing cattle since he was 5-years-old. He has shown multiple breeds of cattle in his show career, but finds Herefords to be the most fun. A career highlight for him is when he won the OCCA Overall Heifer Exhibitor for 2021-2022. Hayes is a seventh grader at AmPo High School and also plays baseball for AmPo. Outside of school, he is an assistant coach for a local Little League Team, active in 4-H and active in his church youth group.

OKLAHOMA STATE UNIVERSITY

Purebred Beef Cattle Center

Riding for the Brand

Established in the 1920s, the OSU Animal Science purebred cow herd has earned nationwide acceptance as a source of genetically superior seedstock while serving primarily as a teaching tool for students at Oklahoma State University and for 4-H and FFA youth throughout the entire nation. It is our privilege to contribute to the outstanding quality of students and alumni from OSU's Department of Animal Science while developing one of America's most respected breeding programs. To all who continue to make this possible, *thank you for your powerful support!*

YOUR DOLLAR CREATES BEEF LOVERS FROM BITE ONE

**Beacon Hill Ranch
Vinita, Oklahoma**

Leading pediatric and nutrition associations, including the Dietary Guidelines for Americans, now recommend introducing meats like beef, among other nutrient-dense foods, to infants and toddlers. Your Checkoff dollar supports the research and raises awareness of new guidelines that prove beef's 10 essential vitamins and minerals, including protein, iron and zinc, help promote growth and development, creating new generations of beef lovers before their first step.

2023 SCHOLARSHIPS

FACES OF LEADERSHIP SCHOLARSHIPS

Emma Lynn

Elizabeth Crumm

Kaylee Lunsford

Taylor Marrs

QUEEN SCHOLARSHIP:
Elizabeth Crumm

**NORM AND JANE DURHAM
SCHOLARSHIP:**
Kaylee Lunsford

**MICHELLE NICHOLS
SCHOLARSHIP:**
Addison Koontz

DONNA CURRY SCHOLARSHIP: *KayAnn Eck*

KayAnn Eck is from Putnam, Oklahoma. She is a 4th generation Hereford breeder and a retiring junior in the Oklahoma Junior Hereford Association and the National Junior Hereford Association. She has had the opportunity to show at 14 consecutive Junior Nationals. She attended Northern Oklahoma College where she graduated with an Associate's Degree in Agricultural Sciences. She is currently a senior at Oklahoma State University where she is set to graduate in May, 2024 with a Bachelor's Degree in Psychology.

HEREFORD WOMEN SCHOLARSHIP: *Clayton Hayes*

Clayton Hayes is the 19-year-old son of the late Jeff Hayes and Jennifer Hayes. He also has an older sister, Blakelee, and is a 2023 graduate of Latta High School in Ada, OK. Clayton showed his first heifer, Priscilla, at the Pontotoc County Fair when he was three years old. While in high school, Clayton was involved in basketball, FFA and the Johnson O'Malley program. He was a member of the Latta FFA archery team. Clayton also received his State FFA in 2023. He is a member of both the Oklahoma and National Junior Hereford Associations. One of the greatest gifts these associations have given him is the chance to see new places, meet new people and network. In the fall, Clayton will be attending Oklahoma State University, where he has been accepted into the Freshmen in Transition (FIT) Living Learning Program and will be majoring in wildlife ecology and management.

OKLAHOMA HEREFORD ASSOCIATION

ANNUAL MEETING AWARD WINNERS

BREEDER OF THE YEAR

6 Mile Creek

The Rubes family farm has been around for more than 67 years. Mark Rubes' grandparents, Ed and Pearl Rubes, bought the farm May 9, 1949, raising Hereford cattle, wheat, chickens and hay. Mark's father then took over the farm around 1978, and continued the family legacy. During his time with the farm he raised Red Limousin and eventually ended up with Angus cattle.

We lost our father in 2012, and Mark wanted to try something different. His Angus cattle were getting old and needed to be sold. After some soul searching, Mark made a decision to go back with Hereford cattle. Mark loves the history of the family farm and wanted to go back to the way his grandfather did it. Today, Mark also owns and operates 6 Mile Meat Market where he offers a variety of meats to the public!

COMMERCIAL BREEDER OF THE YEAR

Jamison Herefords

Jamison Herefords has been ranching in Creek and Okmulgee counties for nearly 120 years. They are grateful for the foundation in ranching that was entrusted to them. Jamison Ranch's goal is, and has always been, to produce and offer the best Hereford and beef cattle genetics that are well-suited for registered and commercial cattle alike. Carolyn and Rusty are proud of their grandkids who are the fifth generation to live on the ranch.

HEREFORD HERITAGE AWARD

Donna Curry

Donna Curry was born November 29, 1965 in Clinton, the daughter of Al and Annahue (Baisch) Wood. She grew up in Custer City, where she graduated high school and was an All-State basketball player. She earned her Bachelor's Degree in Education from Oklahoma State University, and later received her Master's Degree from East Central State University in Ada. She and Curtis Curry were married March 11, 1989 and in 1997 made their home in McAlester. Donna immediately went to work at Frink-Chambers School as a kindergarten teacher and quickly got her counselor's certificate, and was the school counselor for 25 years. She loved her work and so loved all the kids that, outside of her own family, her work was her life. She was a 4-H leader for the school kids, many of whom earned multiple state and national awards. She was also active on the family ranch, where they breed and raise registered Hereford cattle. She was a member of the Oklahoma Hereford Women and the National Hereford Women, where she served on the Board of Directors. She also loved to spend time at the lake with her family.

OKLAHOMA HEREFORD ASSOCIATION

ANNUAL MEETING AWARD WINNERS

OHA HALL OF FAME AWARD

Max Stotz

Max Stotz was born and raised in Williams County Ohio. Being one of four children, he was heavily involved in the family farming operation. He acquired an interest in livestock by showing 4H and FFA projects, including steers and hogs. He took a special interest in Hereford cattle early on. His neighbor, Jim Herman, and his sons had quality Herefords. This began a lifelong association with the Herman family and the Hereford breed. After High School, Max attended Ohio State University, and got his first job at ACE Polled Herefords in Millbrook, New York. This was a job that Max would have for more than 30 years.

At ACE he was in charge of the cow herd, which included calving and developing the new embryo transfer program. In the mid-eighties ACE needed more land for their expanding business, so Alex Ewing purchased a part of the Cooper Ranch in Tulsa County, Oklahoma. By 1990 the ranch was having two production sales a year. In 1992 Ewing sold the ranch and it became Star Lake Cattle Co. Over the next 25 years Star Lake was known as the premier breeder of Hereford Cattle in North America. The ranch had countless national champions and won the carload show at the National Western for more than 20 years straight. During this time, Max managed the entire cowherd, including more than 600 purebred Herefords and recipients. He also pioneered the use of embryo transfer, and kept up with the latest technologies and strived to maximize the potential of the donor program. After more than 30 years, the Star Lake/ACE team dispersed in 2012, ending a dynasty in the Hereford breed. After the dispersal, Max worked at GKB Cattle Co. in Waxahachie, Texas, for two years.

Currently, Max enjoys being a private consultant to many Hereford Breeders in North America, and manages his own herd, MKS Ranch in Skiatook, OK. He has served in many leadership capacities within the Hereford breed. He was a state advisor for many years and is a past president of the Oklahoma Hereford Association. He also served as a National Advisor for the National Junior Hereford Association. He married his wife, Karen, in 1992 and they have two children, Miranda and Keysto. Both of his children were active in the Hereford youth programs, and have continued in his footsteps to help cultivate MKS Ranch and Hereford genetics.
